*Kang
Han
Sung?*

He wants
me to give
up.

What?

Look carefully,
King
Han
Sung...

This is
my world.

Know your place
and don't overstep
your boundaries...
Won't that what
he meant?

Han Nam-hyung probably told him. And about the scare I was in...

Not him...

.....

You said you didn't like me.

I DON'T!

So, you're saying my brother...

He knows what you said to me?

I thought I was going to be beaten or starved, but I was supposed to be invited here instead.

~~~~~  
~~~~~  
~~~~~

They're wedding for no reason ...

Their imaginations are running wild.

Then, why didn't you refuse?

He didn't give me a choice.

Besides... I was curious, too.

But...

I have  
nothing to  
do with this  
world, either.

Normal  
people just  
don't think  
that way.

Just because  
you don't like  
it doesn't  
mean that  
your status  
changes.

Just  
before...

Even your  
friend seemed  
surprised.

You're  
unexpectedly  
quiet today.

I'm...

I'm just  
surprised.

I knew  
you were  
weakling, but  
not to this  
extent.

You guys  
had me  
completely  
fooled,

But I'm still  
happy to have  
been invited to  
such a great  
party...

As your  
date,

Isn't that  
right,  
oppa?

Oh...  
Right

Oppa oppa?

?

Saa.  
Inoppo, where are  
you looking at?

Anna...

Hey...?

What?

Even though  
I'm with  
her...

Why don't you  
just give up  
your eyes for  
Anna?

She always  
gets the very  
best.

And, on that note...

We shall end the President's speech.

Next we have-

Is this what a party is normally like?

This isn't fun at all. And when do we eat?

Well... I guess this party is for adults.

And I don't know anyone.

*I feel word. It's awkward.*

I'm thirsty... Do you want a drink?

Oh, thanks.

Anything will be fine.

Okay, just wait here.

*I'm bored.*

*So bored...*

*I want to go home.*

*I want to see Noah.*

*I wish I was with Noah right now.*

*You're all by yourself!*

**?!**

*Where's your date!*

Sorry

But you  
guys are no  
match for  
me.

What?

If this is the level  
of the second and  
third generations  
of the economic  
circles,

The future  
of our  
country  
looks quite  
bleak.

*Now I understand  
why you hate  
them so much.*

Well...

One's personality  
and the  
economy are  
two entirely  
different  
things.

Oh...

It's been a  
while since  
I've taken a  
liking to  
someone.

I didn't think  
Sae-In would  
have a little  
sister like  
you.

Who is this  
girl?

But you're  
young, it seems  
like you don't  
have a very  
good under-  
standing of  
how things  
work.

This society is  
quite small, and  
if you want to  
stay alive in this  
world...

It's best to  
hide your  
abilities, and?

Alright, little  
lady, will you  
accept my  
request for a  
dance?

Sorry, but her  
dance card is  
already full.

Noah!

Sent!

Look here,  
you can't  
just ...  
what are  
they?

How?!

What was that?

I just noticed.

Noah! Sen!

How did you...

Stach

Oh, don't get mad.

Honestly, I persuaded him to come.

Hm...

It's been a while since I've been at such a party.

Korea's high society...

Why don't we have some fun?

Should I hire those guards from before? I'm curious as to how 'chaebols' taste.

Sen!

It was a  
joke.

He's just  
looting around.

Sory,

I didn't  
come  
here for  
the party.

?

Then, why  
are you  
here?

I came to...

Take her  
away.

Where  
to?

To our  
own small  
party.

E..  
But..

If I disappear  
my parents  
and brother  
will be  
worried..

*Everyone's gaze...*

Parents!  
Where?

They're  
with  
appa...

The one  
with your  
friend!

*Is focusing on us!*

Sen?

*Nael,*

What is  
it?

*Nael?*

I'M GOING TO KILL YOU.

*You  
monsters!*

*I'm going  
to kill you  
all!*

Aha...

*I remember.*

Sen?

*That  
time...*

*That girl.*

What's  
wrong?

You have  
have a  
good  
time

The  
night is  
short.

I'm...

I'm going  
to enjoy  
the party.

Look  
here!

What are  
you doing  
here?

Oh...

Han Sung, one of the reasons I invited you here....

It was to shield Anna from those wolves.

Yes....

I understand.

But you left her alone?

That....

Don't worry, Sis In-appa.

Nothing will happen to Anna.

Oh my...

You  
didn't  
know?

There was  
a huge commo-  
tion at school about  
it.

Do I...

Know  
him?

No, you  
probably  
don't.

He's a  
transfer  
student  
called  
Noah...

Wow, it's so refreshing out here.

Norih

It was so stifling in there.

Do you remember...

The first  
time we  
met!

When  
you saw  
me...

You said  
I was  
unique.

What did  
you mean  
by that?

Vampires can  
read the desires  
of humans and  
use their desires  
against them.

So?

You were  
special.

Surely you're  
not saying I  
was just a huge  
lump of desires  
are you?

That's  
not what I  
meant...

You had  
none.

That was a  
first for me,  
so I was  
surprised.

UGH-  
SO, I'M  
BARREN?

You said  
you live  
without  
meaning.

That even  
death is just  
a point of life.

No,  
that's  
not what  
I mean.

That's how  
you were.  
Even if you  
died at that  
moment,  
you'd calmly  
accept it.

You look  
dangerous.

So that played  
my strategy  
perfectly.

I wasn't  
thinking  
about  
commit-  
ting  
suicide.

I know.

You may think  
committing  
suicide is  
going up on  
something.

But it's  
merely  
another  
desire.

What  
about  
now?

Grab  
my hand.

What are  
you doing?

KYAA!  
NOAH!

Ugh!

WAIT!  
WHAT  
ARE YOU  
DOING?

I said we were  
going to have  
our own party.

NOW...

NOW THAT  
I THINK  
ABOUT IT...

I THINK  
I HAVE A  
FEAR OF  
HEIGHTS!

Relax.

And let go  
of yourself

I  
CAN'T!

I won't let  
you get  
hurt.

I  
KNOW!

Sol

Knowing  
something and  
believing  
something are  
two totally  
different  
things.

I...

KYAAAA!

*Do I trust him completely?*

*When I think about it...*

*I don't think I've  
ever seriously  
thought about  
him as a vampire.*

*Cause I've never seen him drink blood.*

Anna,

You can  
open your  
eyes now.
